From time to time, the Upper Arlington City School District (the "District") may have the opportunity to display student artwork, distribute student written work, or otherwise share various kinds of works created by students. The District may, for example, do this using the internet, at various physical locations, or in formal published formats.

The purpose of this form is to enable the District to use student created works in ways such as those described above if the student and, in the case of a student under the age of 18, the student's parent agrees. If you agree to have your (or your child's) work available for use by the District in this manner, please review and sign the following:

"Student Work" may include the student's writings, drawings, music, performances, artwork, and such.

I/we grant a non-exclusive and perpetual license to the District to publish, display, sell, distribute, change (the District will not materially change the nature of the Student Work and changes will be made for such purposes as reducing, truncating, and such the Student Work), create derivative works of, or to otherwise use (such as inclusion in an anthology, or excerpting for use in teacher training materials, or in advertising) and republish Student Work created by me/my child. The student will retain the copyright and all other rights to the original Student Work. I/we release the Upper Arlington City School District from any liability resulting from or connected with such publication, display, sale, distribution, change, creation of derivative works, or other uses and republication of the Student Work.

If the student is under the age of 18, a parent/guardian must also sign this authorization.
